

Sports Grant Spend Lydbury North Period 2013-14		£8,000	
Item / Project	Cost	Purpose	outcome
Sports Jam Sessions Weekly professional coaching sessions delivered to all key stages – EYFS, KS1 and KS2	£3900	Variety of sports taught by a professional coach. The sports timetable for the year mirrors the half termly festivals set by the cluster of schools. The children had a half term focus on a sport followed by an interschools event.	Childrens sporting experiences were broadened. This gives the children a set of foundation skills enabling them to further their interest personally should they wish beyond the limitations of the school curriculum. Childrens enthusiasm was further supported and skills extended through the after school club run by the same coach.
Swimming for KS1/KS2 (10 sessions)	£900	Enable whole school to attend swimming sessions	Children have gained skills with many receiving swimming certificates. Great for self esteem and confidence – alongside safety aspect of learning to swim and getting good exercise. Number of children have gone on to attend swimming lessons at Bishops Castle pool
Attendance at Bedstone Cross Country	£75	Enable children to take part in cross country competition	Children loved the event, Parents supported – great community feel and promoted enthusiasm for running.
Cluster Sports Events	Estimated costs for 2 each term	Enable children to take part in	Children gain in confidence,

	+ KS1 x2 £800	cluster competitions	working as a team and meeting children from other schools – good for secondary transition and community liaison.
CPD on Gym and Hockey with Chris Black	£132	Staff CPD and impact on teaching in both schools	Children have improved their skills and entered both gym and hockey cluster competitions
Shropshire Hills Walking leaders Awards VW	£80 assessment	To enable KS2 children to begin a programme of Shropshire Walks to promote fitness and appreciation of the local environment. In preparation for completing the John Muir Award with the children next year.	
Transport for travelling to BCCC Gym in Spring Term	£130	To allow the children to access the gym facilities at BCCC as hall is too small to allow gym to be taught effectively.	Children developed their gym skills over the six week block. Four children took part in the cluster gym competition. Very successful – book gym for next year
Chance to Shine cricket Coaching	£180.00	To enable children to improve their cricket skills with aid of professional coach	Entered competition coming 3 rd in group
Complete Forest School Update for qualified Staff	£80 course fee + £220 supply costs	To enable HT to attend training to update skills and continue work with forest schools	
OCN Level 3 certificate in Forest School Leadership	£ 600	Due to new staffing structure train additional member of staff to expand provision into KS2	
Purchase of sheds for sports equipment	£835	To have a safe dry place to store sports equipment – replacing broken leaky storage and enabling greater space for sport in the playground.	
Activity day for KS2 Raft Building and Orienteering	£ 350 + £100 transport	To enable KS2 from both schools to take part in an activity day to start the year with an inspiring team building day to cement federation ties. Support Year 3 in readiness for proposed outward bound residential in Summer 2015.	
Total	8382.00
