

<p>Sports Grant Spend Lydbury Period 2015-2016</p>		<p>£8,000</p>	
Item / Project	Cost	Purpose	outcome
<p>Sports Jam Sessions Weekly professional coaching sessions delivered to Nursery, EYFS, KS1 and KS2</p>	<p>£4,370</p>	<p>To provide quality PE coaching throughout the year; covering a range of sports.</p>	<p>The children had a rich variety of sports coaching; timetabled to link with sports festivals held each half term. This has had a positive impact on their level of fitness and well being. The children really look forward to their weekly sessions. EYFS staff have gained valuable CPD working alongside the sports coach. This has had a positive impact on their physical development and enabled quality observation of physical development.</p>
<p>Contribute towards Sports Coordinators for SWSLT</p>	<p>£400</p>	<p>To enable cluster of schools to have all sports events and festivals centrally organised. This action was taken as festivals and events could be bespoke to take account of whole and mixed key stage classes.</p>	<p>Children gain in confidence, working as a team and meeting children from other schools – good for secondary transition and community liaison. It has had a significant effect on teacher workload with two secondary practitioners organizing and delivering the cluster events. The quality of the sports festivals have been excellent.</p>

Transport costs for attendance at six sports festivals for SWSLT	£350	To fund transport for attendance at cluster events	This funding has enabled the children to attend and sharing across the Federation has cut down costs.
Swimming for KS1/KS2 (10 sessions) Enhanced by swimming coach	£605	Enable whole school to attend swimming sessions for 10 weeks	Children have gained skills with many receiving swimming certificates. Great for self esteem and confidence – alongside safety aspect of learning to swim and getting good exercise. Having ten weeks for all children has meant that the children have been able to make significant progress.
Attendance at Bedstone Cross Country	£37	Enable children to take part in cross country competition	Children loved the event, Parents supported – great community feel and promoted enthusiasm for running. Good to see Year 3 doing so well in the event.
Chance to Shine Cricket Coaching	£200	Enable children to receive expert cricket coaching.	Children respond well to their cricket coach and are able to build on their skills from last season. Cricket and rounders are the two summer sports that are favourites amongst the children and that all ages and abilities can engage in. This culminates in our annual parents and staff against children family rounders match after sports day.

Additional TA staff to cover staff ratios for Forest School EYFS – KS1 and KS2 Forest Schools. Covers alternative KS2 sports afternoons throughout the year.	£3377	Enables correct staff ratios for forest schools and sports throughout the year.	Allows the children to enjoy forest school sessions across the school with additional staff required for health and safety ratios. Allows the children to access off site sports facilities with additional staff required for health and safety ratios.
Additional TA staff to cover staff ratios for street dance at SPARC Summer term	£62	Enables correct staff ratios for travel to workshop sessions during the summer term.	Allows children to be transported safely to the workshops with the final outcome of a street dance production at the end of term.
Outdoor first aid course	£180	First aid training for staff working in the outdoor environment	Essential CPD to cover health and safety requirements.
